

## ACKNOWLEDGEMENT

It is with a sense of achievement and pride that I complete my thesis. It has been made possible by the unstinting support of many people. These few words only convey my formal thanks but cannot convey the depth of my gratitude to them.

I thank the All Mighty by the grace of whom this research was undertaken and duly completed in time

Words fail me in thanking with in depth gratitude my research supervisors **Dr. Vipul Sharma**, Asstt. Professor, UPES and **Dr. Ankur Mittal**, Asstt. Professor, UPES. Their constructive criticism, patience in going through my work, simplifying suggestion, constant encouragement and rock solid moral support has gone a long way in helping me complete my thesis. I will be always grateful to them for this.

I am deeply indebted to my external guides **Shri Sekhar Basu**, Director, BARC, Mumbai and **Dr. Kapilesh Bhargava**, AGM, NRB, BARC, Mumbai, for sparing his valuable time in going through my draft and providing constructive & invaluable suggestions and moral support. I find myself incompetent to find suitable words while offering thanks along with the profoundest regards to each member of my family, especially to my mother **Smt. Kranti Devi** for her kind spiritual encouragement, evergreen blessings, deep rooted affection and immense sacrifice which provoked in me an enthusiasm which brought me this goal. Special thanks to my father, **Shri. D. R. Singh** for the continuous motivation, support and guidance.

Words will not suffice in expressing my thank to my sons **Mast. Akshat Chauhan** and **Mast. Divyansh Chauhan** for their love.

Last but not least my sincere thanks to my wife **Mrs. Jyoti Chauhan** for her valuable support and infallible cooperation whenever it was needed the most.
