

ACKNOWLEDGEMENTS

My deepest gratitude goes to my Internal Supervisor **Dr. Parag Diwan**, Vice-Chancellor, University of Petroleum & Energy Studies, Dehradun for his advice, guidance supervision and untiring support all throughout the study. In spite of his busy schedule, Dr. Diwan has always been kind to spare his valuable time for me, whenever I needed it. It is because of his involvement and constant encouragement, I am able to complete this work. It is indeed a privilege to work under his supervision.

My sincere thanks are due to Dr. S.J. Chopra, Chancellor and Ms. Deepa Verma, Vice President(AA), Dr.S.P.S.Narang, Director, NCR, Dr. Vikas Prakash Singh, Head, CCE, University of Petroleum & Energy Studies, Dehradun for their constant support and encouragement.

I express my special thanks Dr. Banjul Bhattacharya, Reader, Applied Mathematics Department, Bidhan Chandra Krishi Viswavidyalaya, my External Guide for her expert guidance, incessant efforts and innovative suggestions during the course of this study. Her guidance has provided shape and structure to this thesis, besides adding value to the subject.

I owe immense gratitude to Mr. D. K. Pandey, Director (Exploration),ONGC, Mr. P.K. Bhoumik, ED, KDMIPE, ONGC and Mr. Sudhir Sharma, DGM(G),ONGC for provided me encouragement and Academic support from time to time that I could complete this study on the current topic. This thesis owes a lot to the wide and

excellent reference materials of ONGC library. I express my sincere thanks to Landmark team for giving their permission to use their software for the research work.

I wish to thank to all my teachers and colleagues for their moral support, camaraderie, help to keep things in perspective and for their continuous support .

I would like to express my reverence and great admiration for my entire Family, who have always been the guiding and encouraging force for me. Above all, I am highly indebted to Almighty God who blessed me with spiritual support and fortitude at each and every stage of this work.

Last but not the least I must express my special gratitude to my husband Santanil and daughter Ushni, for their wholehearted support, sacrifice, incessant affection and encouragement throughout this effort.
