SECTION A

S. No.	Section A In this section all, the TWENTY questions are compulsory. 1x20 Name the <u>personality</u> to whom or the <u>institution</u> to which the following ten statements are attributed to:	Marks	CO
I	<ol style="list-style-type: none"> 1. The root cause of anarchy is human nature. Man is enemy of man. 2. The rulers have to be both lions and foxes because their people depend upon them for their survival and prosperity. 3. War is nothing but a continuation of politics by other means. 4. Liberal states respect international law and such a political economic system will bring the greatest happiness of the greatest number. 5. The main axis of conflict is between the capitalists and the workers. More powerful classes oppress and exploit the less powerful by denying them their share of the surplus they create. The oppressed classes try to seize power in order to seize more of the wealth for themselves. 6. An essential aspect of the policy of non-alignment is the enlargement of freedom and replacement of colonization by free and independent countries and a large degree of cooperation among nations. 7. An iron curtain has descended on Europe from Stettin in the Baltic to Trieste in the Adriatic. 8. All human beings are born free and equal in dignity and rights. They are endowed with reason and conscience and should act towards one another in a spirit of brotherhood. 9. Whenever law ends, tyranny begins. 10. Poverty is the worst form of violence. 	20	CO1

	<p>11. Define the term Exclusive Economic Zone (EEZ)</p> <p>12. Name the state which has conducted nuclear tests in the 21st century.</p> <p>13. Name the leaders of Japan and Germany.</p> <p>14.
