**Instructions:**

As this examination is in open-book format, the students are expected to demonstrate a very high degree of Academic Integrity and not copy contents from resources referred. Instructors would look for understanding of the concept by the students and any similarity found from resources online/ offline shall be penalized in terms of deduction of marks and even cancellation of paper in requisite cases. The online examination committee of the School would also look for similarity of two answer scripts and if answer scripts of two or more students are found similar, both the answer scripts shall be treated as copied and lead to cancellation of the paper. In view of the aforesaid points, the students are warned that they should desist from using any unfair means.

**All Questions are Compulsory**  
**Answer each question in not more than 500 words**

S. No.		Marks	CO
1	All Societies divide their world in sacred and profane. All societies whether primitive or modern believe in the supernatural. Discuss the role played by religion in modern and simple societies as per the functionalists.	20	2,3
Ans.			
2	“Many theories of deviance are based on official statistics provided by police, courts and various government departments. If we draw social characteristics of the deviant based on these characteristics we will safely conclude that is committed by people of lower strata and people who are poor”. Critically analyse the above statement with reference to white-collar crimes.	20	2,3
Ans.			
3	“Deviance is very relative concept, it is very subjective and it is also culturally determined”. In the light of above statement, how deviance is culturally determined and varies over time and space.	20	2,3,4
Ans.			
4	The ultimate purpose of education is to to produce a hardworking, docile, obedient and highly motivated workforce, which is too divided and fragmented to challenge the authority of the government/management. Identify the above theory on education and discuss its critiques.	20	3,4

Ans.			
5	Caste in India is a master signifier. It is the principle basis of social stratification. Compare and contrast Gandhi and Ambedkar's view's on caste.	20	2,3,4
Ans.			

**I, ....., understand that submitting work that isn't my own may result in failure in this paper and I may also be subject to Disciplinary Proceedings as per the Academic Integrity policy of the University.**
