Q12.	Gracy has what she thinks is a great idea for a new business. She would like to rent portable mp3 players at health clubs and golf resorts. The mp3 players would be preloaded with music, so that people who did not bring along their own players could still listen to music while they were exercising or golfing. Each player would have 5000 songs on it, and the mp3 players do not allow further copying of the songs loaded on the player. Gracy purchased authorized copies of Compact Discs of all of the music she would like to use. She would like to know whether she needs any further copyright permissions to conduct her business in India, and if so, what kind of permissions and what the easiest way of getting them would be.	20	CO4
